Dear Mr. Alexander:

On behalf of the participants in the Seminar, "Automation and the CIA Executive," I would like to thank you for your presentation on 18 July. We found that the discussion of issues raised by members of the Private Sector and Public Sector panels provided an excellent foundation for a subsequent meeting with a group of senior Agency officers responsible for some of our major programs.

We appreciate the time and effort you expended on behalf of this Seminar. Thank you again for participating.

Sincerely,

Director
of
Training and Education
